CAREER OBJECTIVE

CSE undergraduate with a CGPA of 3.866/4.00 and hands-on experience developing full-stack web applications with React, Node.js, Express.js, and MongoDB. Seeking a software engineering or full-stack development internship to contribute to practical products, deepen engineering skills, and grow through collaborative development.

EXPERIENCE

Undergraduate Teaching Assistant, Compiler Lab Present
International Islamic University Chittagong

- Evaluated students' lab assignments and lab performance and code correctness against expected output.
- Serving as exam hall invigilator for midterm and final examinations.

Undergraduate Teaching Assistant, Software Engineering Lab Spring 2026
International Islamic University Chittagong

- Evaluated and graded students' full-stack software projects based on their weekly progress updates.
- Presented and explained my Blood Bridge project to students in a session, covering both frontend and backend.

TECHNICAL SKILLS

Languages: C, C++, Python, JavaScript (ES6), TypeScript
Frontend: React, React Router, HTML, CSS, Tailwind CSS, DaisyUI, Axios
Backend: Node.js, Express.js, REST APIs, JWT, Prisma
Databases: MongoDB, PostgreSQL
Services & Tools: Firebase, Stripe, Git, GitHub

PROJECTS

Blood Bridge – Blood Donation Management System Live Site | Client | Server

- Built a full-stack platform connecting donors, volunteers, and admins, with role-based access control.
- Implemented real-time donation request tracking and donor search by blood group and location.
- Secured the application with Firebase authentication and JWT, and integrated Stripe for donations.

Technologies: React, React Router, Tailwind CSS, Node.js, Express.js, MongoDB, Firebase, Stripe

PawMart – Pet Adoption & Supplies Marketplace Live Site | Client | Server

- Built a responsive marketplace for adopting pets and buying pet supplies from categorized listings.
- Developed dashboards for managing listings and orders with real-time updates.

Technologies: React, React Router, Tailwind CSS, DaisyUI, Node.js, Express.js, MongoDB, Firebase

EDUCATION

B.Sc. in Computer Science and Engineering January 2023 – Present
International Islamic University Chittagong | CGPA: 3.866 / 4.00

CERTIFICATIONS & LANGUAGES

Certification: Complete Web Development Course – Programming Hero
Languages: Bangla (Native), English (Intermediate)
